

Our goal has always been a simple one; to provide the highest levels of service skill and hospitality. Due to our current environment the following changes have been made at **noblesalon**. These temporary changes provide us the opportunity to move toward that goal together, in the safest way.

Single Service Reservations

- Only one service per person will be provided during your visit.
- Please arrive to your service with clean, dry hair. Shampoos prior to your service will not be provided.

Upon Arrival

- You will receive a message when it is time to welcome you into **noblesalon**.
- We ask you to remain in your car until that message has been received.

Shared Space

- Waiting areas are not permitted. With the exception of color cleansing shampoos, all services will be performed at a single station.
- Work stations will be spaced at least 6 feet apart and readied immediately prior to your arrival with adherence to stringent sanitation protocols.

Protective Precautions

- Please arrive with all personal protective precautions.
- A face mask will be required at all times during your visit and should be designed to secure behind the ear. Wrap around face ties or behind the head strapping will prohibit provision of your service.
- Hand protection is recommended and eye protection an option.
- We recommend use of personal disinfectant wipes at your discretion.

A Healthy Check In

- As a long term preventive measure please monitor your personal health.
- To ensure the health of others please be willing to provide a contact free temperature check at time of welcome.
- If your temperature is above 100° your reservation will be rescheduled another day.
- Rescheduled reservations will be made at a later time by phone or email.

Personal Items

- We ask that you limit personal items to your cell phone, keys and form of payment. No handbags or food items please. All personal items will remain with you during your service.
- Please be mindful of social distancing, physical contact and placement of your personal items.

Home Care Products

- To minimize communal contact your favorite products will be available upon request only.
- During your service ask your Style Expert to help choose the essentials and we will have them waiting for you at end of service.

Gift Cards

- Thank you for your generosity. Gift Cards continue to be available for purchase by phone or email only.

Future Reservations

- Future reservations can be secured by phone or email only. At this time we are unable to provide this service in person or in salon.

Check Out

- Payment for services will be accepted by credit card only.
- We strongly recommend our pre-pay option for Haircut services and our post-pay option for Hair Color services.
- Please consider any personal gratuities in advance of your visit, our ATM may not be available at time of service.

Please know **noblesalon** is committed to you, our team and our community...
We look forward to seeing You too!

Stay Well and Stay Connected.
